First, get enrolled in the VYVGART Co-pay Program

Three ways to enroll:

Via a My VYVGART Path Nurse Case Manager (NCM)

If you are enrolled in My VYVGART Path, an NCM can check your eligibility and enroll you in the VYVGART Co-pay Program, if desired. An NCM can also:

- ➔ Let you know if you need to submit a claim
- ➔ Help you keep track of your reimbursement total
- ➔ Let you know how much of your yearly commercial co-pay savings allotment you have left

Via a specialty pharmacy

When your neurologist sends your VYVGART prescription to a specialty pharmacy, the specialty pharmacist will call you to help you get enrolled in the VYVGART Co-pay Program. If you do not receive a call, you can call the specialty pharmacy directly. Talk to your neurologist to get the name and phone number of the specialty pharmacy.

Via a treatment site

Talk to your healthcare team when you arrive at your treatment site. They can help verify your benefits and insurance and help you enroll in the VYVGART Co-pay Program.

You'll receive a VYVGART Co-pay Card in the mail with the information you need to start saving after you've been enrolled.

Please refer to the full Terms and Conditions on pages 7 and 8.

Please see full [Prescribing and Patient Information for VYVGART HYTRULO for subcutaneous injection](#) and full [Prescribing Information for VYVGART for IV infusion](#).

Next, get reimbursed for your eligible out-of-pocket costs

Two ways to get reimbursed:

Via your doctor, specialty pharmacist, or treatment site

In most cases, your healthcare provider will submit the reimbursement form on your behalf. Just be sure to give them the information from your VYVGART Co-pay Card.

Via yourself

If your healthcare provider does not submit the reimbursement form on your behalf, you can submit the reimbursement form yourself by following the instructions below:

- 1 Use the Explanation of Benefits (EOB) sent to you by your primary insurance company and your VYVGART Co-pay Card to help you fill out the Patient Check Request Form (download the form at [VYVGARTcopyprogram.com](https://www.vyvgart.com/copyprogram)). You can use the ConnectiveRx (CRx) Customer Service number to reach out directly to request a copy of the Patient Check Request Form: **1-800-753-4513**.
- 2 Submit the Patient Check Request Form and a copy of the EOB via fax (**1-855-492-9923**) or mail to: **VYVGART Claims Processing Dept., PO Box 2355, Morristown, NJ 07962**.

Once your claim is reviewed and approved, **you'll receive a check in the mail.**

Note: How often you need to complete these steps to submit a claim will depend on your primary insurance provider. In most cases, a doctor or health facility will submit the reimbursement form for you.

Please refer to the full Terms and Conditions on pages 7 and 8.
